**CALIFORNIA DROUGHT
WATER USAGE**

California drought is creating all of Leisure World to conserve water wherever we can. We are asking shareholders to be diligent about NOT overwatering and NOT letting water just run down walkways and sidewalks. If you see a shareholder being wasteful of using water please call City of Seal Beach Water Services, Monday thru Friday 8 AM to 12 and 1 PM to 5 PM **(562) 431-2527 X1309** and report it. You may have to take pictures if it is done during off hours. Please do not call the water services unless there is an aggressive abuse of wasting water!

LAUNDRY WASH TUBS

Please note some of these tubs in the laundry room have water running. We cannot have water running freely, Please conserve the water in the tubs.

Please watch for water leaking from the toilet.

- Add small drops of food coloring into the tank, and if color appears in the bowl one hour later, your toilet is leaking. In case of a leak or a problem, call your Mutual Director

Thank you for conserving our valuable water resource.
