Projected assessments will be the previous year’s assessment (total of carrying charge less any cable charge, less Orange County Property Taxes and Fees), and the addition of the new property tax of the sales price or proof/verification from the prospective buyer for Proposition 13 base year value transfers to replacement properties. As amended proposition 60/90 allows a person over age 55 to sell their principal place of residence and transfer its base year value to a replacement dwelling of equal or lesser value that is purchased within two years of sale. These propositions are implemented by the Revenue and Taxation Code. This verification will be a letter of certification, recent property tax bill and information regarding this proposition from the CA Board of Equalization. Taxable alimony is considered income and can be included in the financial verification. Plus, Orange County District fees divided by 12 for the new projected monthly assessment. This new figure (Regular Assessment plus Orange County Property Taxes and District Fees) times five (5) will be the monthly income required. This will be verified by the escrow company and the Stock Transfer Office. Stock Transfer shall have the final say in establishing verifiable income¹.

Verification shall be done by the Escrow Company and the Stock Transfer Office for each proposed shareholder(s) prior to the new buyer orientation and prior to the close of escrow (the above verification will not be done by the individual Mutual Directors; Directors will not be required to study or understand the financial requirements).

1.2.1.4. Only the residential shareholder’s income shall be considered for qualifying.

1 If major remodeling, expansion, or addition of a bathroom is being considered, the increase in taxes over the 1.2% of the purchase price must be taken into consideration.
